## WELCOME

***By editor***

Published: 04/03/2008 - 09:53

**Discover safe, affordable, high quality medical & SPA services in Poland.** Discover friendly St. Catherine Travel Agency staff, who can organise your whole stay to make it not only healing, but also pleasure. For co-operation, I invited best medical centres and doctors. Check one of our beauty programmes. But always remember what I am saying to my patients: doctors can help you but - **YOUR HEALTH IS IN YOUR HANDS.**

Have a good stay.

*Magdalena Makowiecka MD Ph.D*

*St. Catherine Agency co-owner*
